

For seven years now, we have been serving our UK clients with a range of investment solutions, building up a strong, in-depth knowledge of the UK market and clients' preferences. Given the changing retail distribution landscape, we believe the time is right to enhance our offering with the creation of an OEIC range, making our funds more accessible to domestic investors.

## WHY CARMIGNAC?

- An independent culture**

The company is fully owned by the family and staff, which means we always act in the interest of our clients rather than shareholders.
- An active management philosophy**

We have the expertise and the courage to follow through on our convictions.
- An entrepreneurial approach**

We seek opportunities where we can add value, and today underline our commitment to the UK market by launching six UK OEIC funds.
